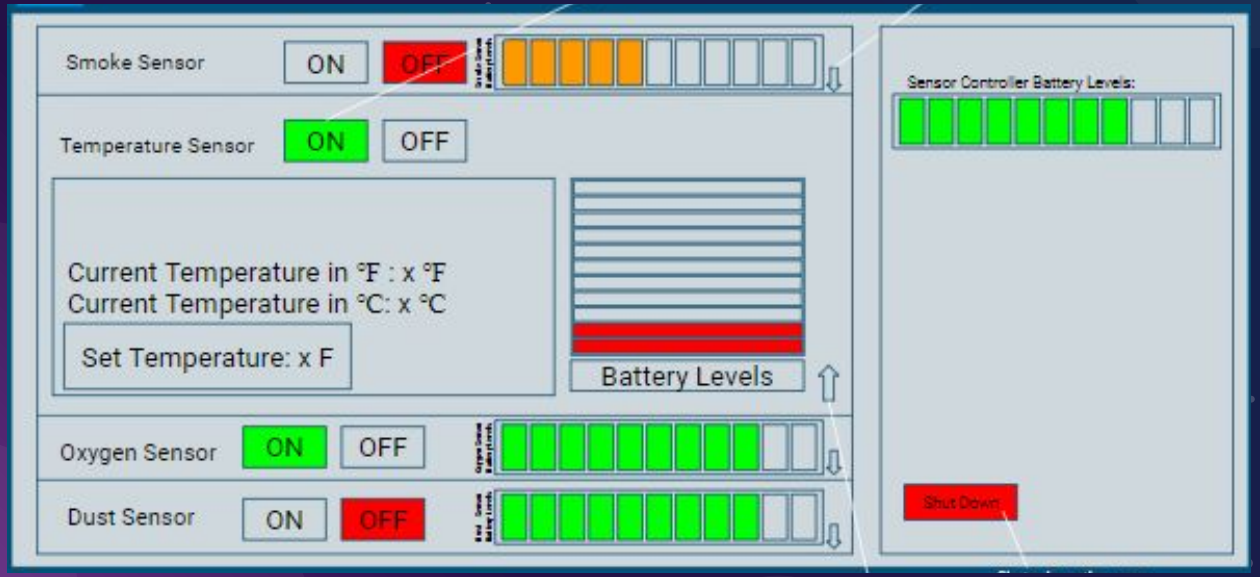
DOCUMENTATION OF JOURNEY

RESOURCES

[User Guide]

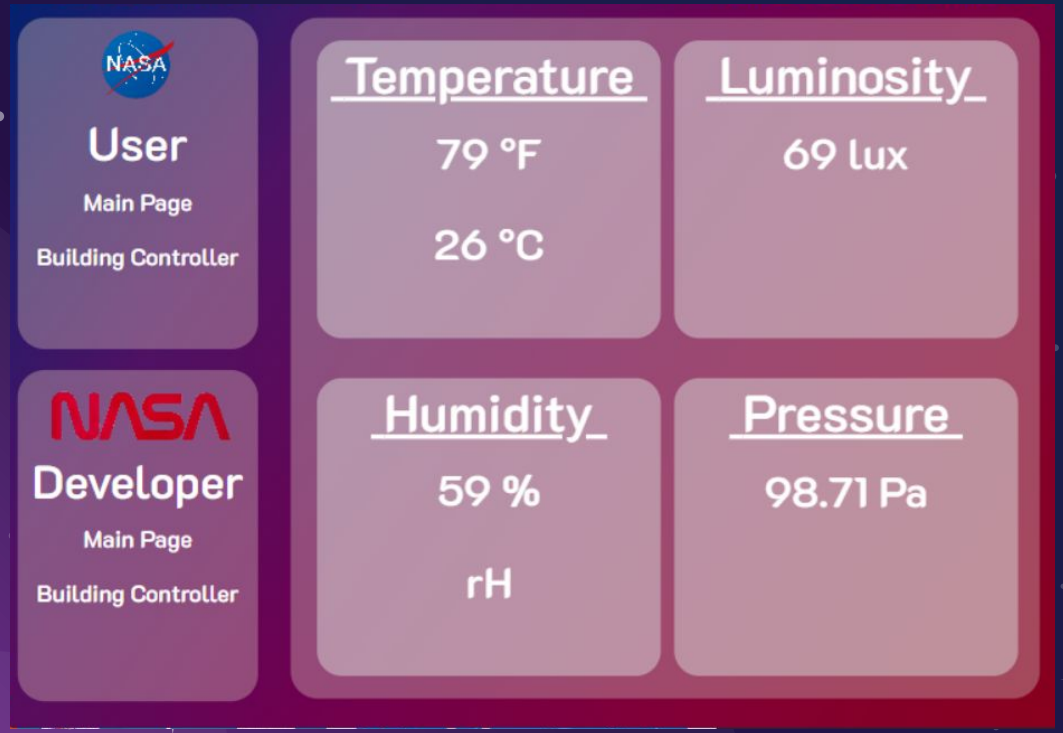
[Testing Plan]

INITIAL UI DESIGNS



- structured and organized in boxes
- Lacks a proper color scheme
- Includes some unnecessary details that look good but are not practical
- Right side is noticeably emptier

FINAL UI DESIGN



- Proper Color Scheme which fits with the NASA logo
- Visually appealing
- Larger text presenting crucial information

PROJECT TIMELINE

NOV - JAN

- UI Designs
- Github Setup
- Bought necessary hardware

FEB

- Product is set up
- Videos are recorded
- Trifold is created
- Website is set up
- Brochures are created
- NASA Presentation

MAR

- Began development of revised UI design
- Research

APR

- Trifold is revised
- Brochure is redesigned
- Final UI is set up and connected to hardware
- NASA presentation as Houston

CHALLENGES AND OBSTACLES

- Product malfunction
- Lack of knowledge
- Time constraints
- Misunderstandings
- Inadequate planning
