

The background is a deep space scene. In the top left, there's a large planet with horizontal stripes. Below it is a smaller planet with a ring. In the top right, an astronaut in a white suit is floating, holding a long, thin, looping rope. In the bottom right, there's a cratered moon. The entire scene is filled with numerous small white stars and larger, multi-pointed starburst shapes. The color palette transitions from dark blue at the top to a rich purple at the bottom.

CONCLUSION

WHAT INSPIRED US

- Modern Engineers on Earth
- Astronauts
- Exploration of space

WHAT WE LEARNED

- New programming languages
- Collaborating in a group setting
- Tackling obstacles and bugs

THANKS!
